(show begins)

hello

i am [a computer]

thank you on behalf of

[digital advertising inc.] for

joining us in today's [focus
group].

the information you provide

to us today will be used to

optimize your experience
with our advertising
partners.

[digital advertising inc.]

believes finding the one
great unifier in the human
experience will maximize
customer engagement
across all of our product
lines.

you are here today to assist
in uncovering that unifier.

i will be presenting you with a series of prompts which will ask you to enter the stage space and face the seating bank if you relate or identify.

in order for accurate data to be received, you must respond promptly and honestly.

all responses will become ineffectual if you do not respond honestly.

when i make the following sound : (a beep is heard)

please remove yourself from the stage and return to your original position.

let us practice these

instructions with a simple test prompt.
